cards with every  
booking made  
in 2012

## ADDED EXTRAS

Personalised Wine labels  
Thank you cards  
Candid Photography

Everyone at your Wedding is encouraged and guided by our Artist, and we make sure the important people in your life capture something significant in the painting. Everyone signs a special message to the happy couple on the back of the canvas.

"The first time we saw our finished painting it took our breath away. It captured everything that is special to us - even more than we were expecting. It is something we will cherish forever as a centrepiece in our home."

Rebecca Lissimore
